2009 FUMC Patriotic Pops Program

The boys opened and closed the program with a color guard, were present for the entire program, and received applause as they presented the flag. GREAT JOB!

Bicycle Merit Badge

Congratulations to the boys for the determination and tenacity to complete all the rides required for the Merit Badge and thank the Lord for taking care of everyone while they were enjoying their rides.

Congratulations New Eagle Scouts

Events and Information

Troop Training

Adults are encouraged to attend training to assist the troop. The more adults we have trained the better program we provide for the boys, and we want to provide the best program in Texas! There are needs for administrative and outdoor skills. Please see Mark Starr or Brian Erickson for details.

Training!!! Congratulations to Mickey Stewart and Mark Starr for getting the Leave No Trace Training Certification. They intend to start delivering the 7 principles to the troop very soon. THANKS

Committee Meetings

We conduct troop business, strategize, plan events, etc. All adults are welcome and encouraged to attend.

We Need Your Pictures!!!

After you take those fantastic pictures on campouts and troop activities, please either email them to Bob Johnson at bob@robertjohnson.com or burn them to a CD/DVD
